Patrol Substitutes

Please remember that if unable to attend your rostered patrol, you are asked to find a substitute to fill in for you. Please organise this as early as possible to ensure that you are able to successfully find a patrol swap. **To meet requirements for Stockton SLSC's 100% Patrol Award, you must make up for these missing hours on a separate day, either by substituting for another member or performing extra voluntary hours.**

Sign On/Off & Patrol Logs

When **SIGNING ON** for patrol in the morning over the radio to SurfCom, please inform them of the **no. of bronze members on patrol, beach status (open/closed) and inform them that the IRB is operational.**

During the middle of the day when swapping over patrols, there is no need to contact SurfCom

When **SIGNING OFF** at the end of the day, you will only need to inform SurfCom of the **number of rescues** performed during the day (even if there have been none).

Patrol captains, please ensure that **use the APP and sign out after patrol.** This includes the **IRB log book** and the **Incident Log book** if it has been used.

Damage Reporting

If any equipment has been damaged during training or while on patrol (tents, boards, radios, IRB) please make sure it is reported at the end of your patrol to ensure a prompt repair.

1. Log the damaged equipment on the whiteboard next to the roller-door in the patrol shed.
2. Log the damaged equipment in the patrol log book at the end of your patrol.
3. Contact either the Director of Lifesaving OR Powercraft Captain and notify them of the damage.
4. Put an *Out of Service Tag* on the damaged equipment so that it is not used until repaired.
